

Chief Executive Officer (CEO):

Minnesota Municipal Utilities Association, a nonprofit corporation that represents the interests of Minnesota's 100+ municipal electric, gas, water and waste-water utilities, is seeking qualified candidates to replace their CEO who will be retiring in the fall of 2021. We are located in Plymouth, MN just 12 miles west of the Twin Cities.

Minnesota Municipal Utilities Association (MMUA) is an association serving municipal utilities along with many affiliate and associate members. **MMUA** has a staff of 27 serving our members with a strong government relations team, a broad array of safety and training programs, mutual aid and disaster response coordination, interim manager placement and mentoring, information resources for members, coordinating a capital financing program, and oversight of a large drug and alcohol testing consortium. The CEO currently oversees six director positions. MMUA also owns and operates a municipal utility training center on an 18-acre campus in Marshall, MN.

MMUA is seeking candidates with proven leadership ability, exceptional communication and interpersonal skills, strong business acumen, high integrity, and a commitment to teamwork which has been the culture and priority at MMUA. Successful candidates will have 7-10 years of senior leadership experience, extensive knowledge of the public utility industry and a bachelor's degree in business or a related field.

MMUA offers competitive pay, an excellent benefits package and the opportunity to lead a thriving organization in a beautiful suburb of the Twin Cities of Minnesota. Please send resume, cover letter, salary expectations and professional references no later than May 24, 2021 to: Debra Englund, CEO [HRExpertiseBP](#), 8929 Cambridge Court, Ste 203, Brooklyn Park, MN 55443 or email to Debra@hrexpertisebp.com. **MMUA** is an Equal Opportunity Employer.
